We agree with ClimatePlan's Mission, Vision, and Guiding Principles (found at www.climateplanca.org/becomeapartner.html) and are committed to being actively engaged in shaping climate and land use policy in California. We understand that being a partner means that our organization will:

- Stay abreast of what's happening with SB 375 and related climate, land use and transportation policy.
- Gain access to ClimatePlan's network of organizations who are working at the leading edge of land use and climate policy. Receive notice of ClimatePlan meetings, events and networking opportunities.
- Have a vote in ClimatePlan decisions on policy, priorities and strategy.
- Have our name and/or logo appear on ClimatePlan's website, and in brochures and other publications.
- Receive requests to sign on to comment letters. ClimatePlan will not advocate on your behalf without your express consent.
